## *Campaign '72: Time for a Change*

The 1971-72 year, the fifth year of Rebul Academy's existence, was one of change and revolution. The change was from a small private school in the pastures of Learned five years ago, to one of the leading private schools in Hinds County today. The addition of an athletic program helped bring a growing student body together, as the people of Rebul began to feel a growing sense of pride in the school. Each year of Rebul's existence has been different; different students, a different administration, and different events. The 71-72 year was one of great change, and the years to come will bring even greater growth and change.

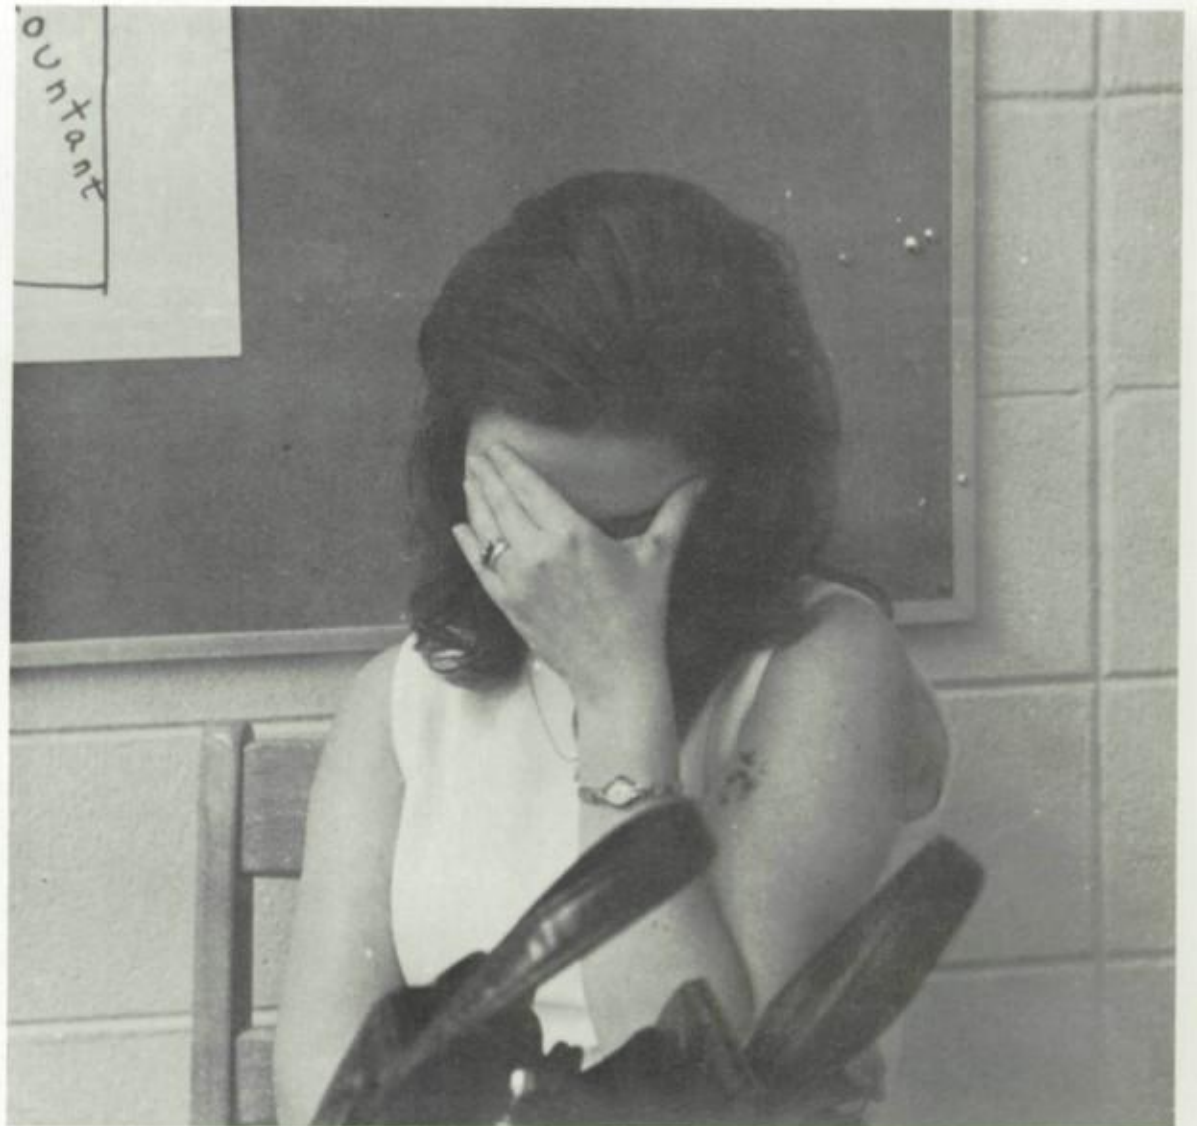

*A changing administration, and  
a changing student body*

## *Raiders roll to victory in first season*

The Rebul Raiders football team closed out their first season with an impressive record. The team spent many long, hard hours at practice, and their determination paid off in victories for the team. The Raiders were honored at the end of the season by an invitation to the Magnolia Bowl in Union. Quarterback Turp Duren, Tackle Emmette Pittman, Tailback Monty Montgomery, Guard Jeff Montgomery and Tight End Russell Canada were named to the Academy All-Conference Team.

## *Cheerleaders keep spirit alive*

The cheerleaders, busier than ever with the addition of football to Rebul's athletic program, helped instill pride in the student body. They awarded a spirit stick at pep rallies, arranged for a student bus at out of town games, and sponsored a poster contest when Rebul was invited to the Magnolia Bowl.

## Beta Club Stresses scholarship and service

Each year, the Beta Club takes on new projects to expand its service to the school. Along with the traditional Freshman Day, book fair, spiritual emphasis week, and scholarship award, the club added a lost and found department, and sponsored the selection of the Hall of Fame. ## Review Staff tells it like it is

Each month of the school year, a new edition of the *Rebul Review* rolled off the press. The paper kept students up to date with news items, class and club news, and Sneak. A coloring page was added for the elementary, and there were always interesting letters to the editor. The highlight of the year for the staff was a trip to Skateland, led by the Peggy Fleming of journalism, Miss Hill.

# Freshman Day

## *begins year with a smash*

A day long looked forward to by seniors and feared by freshmen was celebrated on September 24, 1971. Each senior had his own devious method of torture, which resulted in agony for the freshmen, but fun for the spectators. At the close of the fun-filled day, Dan Askew and Carol Little received the coveted pie-in-the-face awards as best dressed (?) freshmen.

# First Homecoming reaps victory

Rebul's first Homecoming ceremonies were held the night of October 15, 1971. Queen Katie Kemp reigned over the events, and the Raiders came through with a victory over Clarke Academy. Afterward, the Homecoming Dance was held in the gym, with music furnished by Freeway.

# Halloween Carnival has something for everyone

Much hard work went into the preparation of the annual Halloween Carnival at Rebul. Bazaars, cake walks, horror houses, games, rides, and a coffeehouse were only a few of the activities offered at the Carnival. The Auxiliary prepared a delicious spaghetti supper to climax the night of old-fashioned family fun.

## Senior Play- a night of comedy

On March 28, the Senior class presented the Senior Play, "Professor How Could You?" Play practice became the high point of the day for the ten lucky seniors who were blessed by having a part. The cast worked diligently exerting sweat and tears. Due to the bad weather, the acoustics didn't equal Carnegie Hall, but it was close enough. Although the Hollywood producers and talent scouts couldn't make it, it was definitely a fantastic success. The superb cast included: Keats-Jay Jones; Vicki-Katie Davis; Grandma-Patricia Bane; Grandpa-Robert Carmichael; John-Ricky Price; Bobolink Boggins-Charles Montague; Tootsie-Sherry Dowe; Valerie-Terri Coalter; Priscilla-Kathy Martin; and Butcher Boy-Russell Bozeman.

I'll marry you, Professor Perry.

# Annual Chicken Barbeque- a spring feast

The annual barbeque, held each year on the school campus, was the largest money making project of the year for the Rebul Auxiliary. Hundreds of families came from miles around to enjoy the delicious food, and great fellowship.

People of all ages enjoy the barbeque.

I can't believe I ate the whole thing!

# Prom '72

## "To Rome With Love"

April 28 was a memorable night in the lives of Rebul's juniors and seniors. The prom's Roman theme was carried out in colors of maroon and gold, and a large fountain was one of the many attractive decorations. Grapes and pineapples dotted the area, adding a fruity look to the decor. The Seniors were honored with a leadout, and each couple stumbled out as their names were called. About 12:30 a.m., the flowers and streamers were ripped off the ceiling and walls, heightening the excitement of those who participated. At 1:00 a.m., everyone cleared out, and bee-bopped over to the Dan Curries for a breakfast. Although a few people were hampered by livestock (?), most arrived in a sort of "all right" frame of mind. After the headaches and illness from "staying up late" passed, the prom became one of the many memories of the 71-72 year.

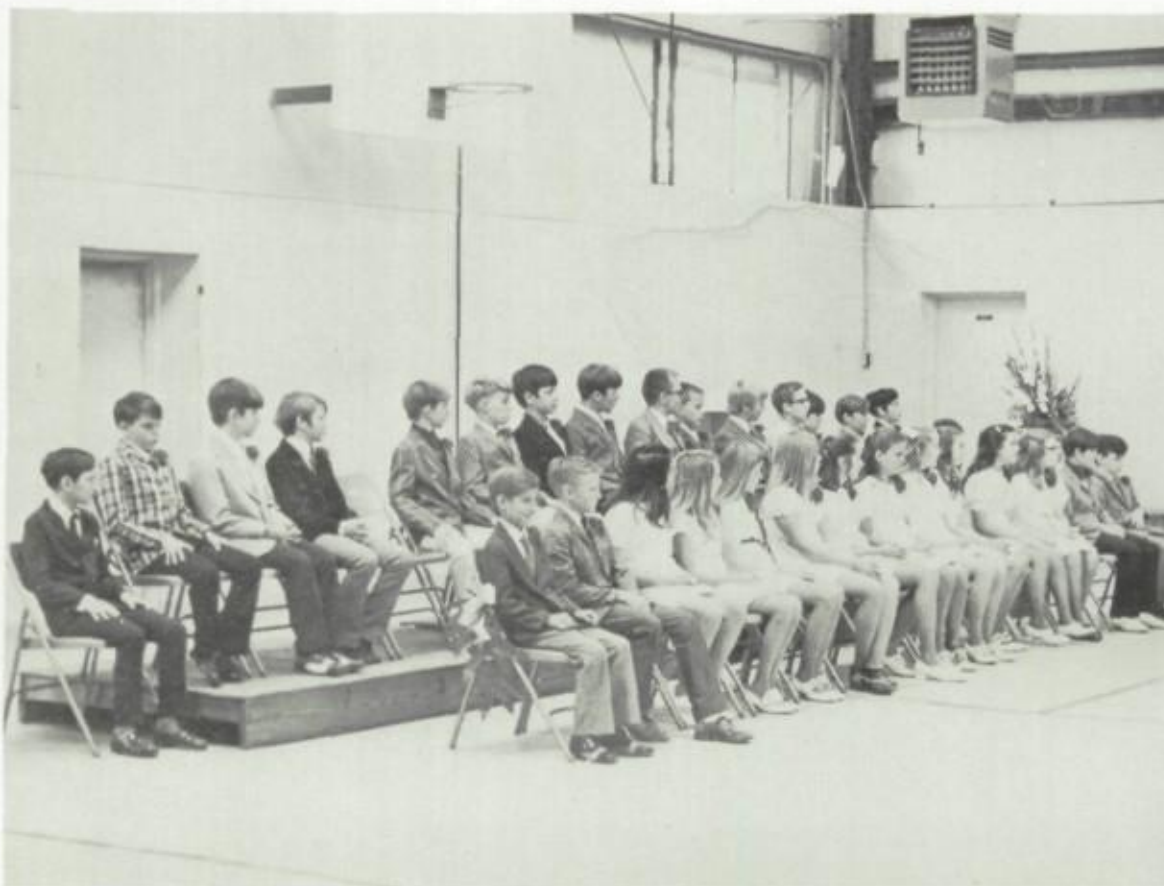

Juniors and seniors jive away their frustrations to the fantastic music of the Peepul's Choyz.

## Sixth grade class holds graduation exercises

On May 23, the last day of school, the sixth grade class of Rebul Academy received diplomas for completing elementary school. Several members of the class made speeches, and Mrs. Dorman led the class in song.

# Commencement- the end of the road

May 15, 1972 was the long awaited day when all 22 members of the senior class became high school graduates. The seniors themselves were the featured speakers, and the juniors presented a memory chain to the class. Achievement awards were presented to honor students, after which Mr. Withers gave each member of the class his diploma. When the senior girls ensemble pronounced the benediction, the class marched out of the gym as the second graduating class of Rebul Academy.

## *Seniors released after twelve year sentence*

The last year of high school for the class of '72 was one that will not be forgotten by the twenty-two people who made up the Senior Class. It was year full of fun and excitement, tests and term papers, parties and trips, and other memorable things. In October, 1971, graduation invitations were ordered. May, 1972 seemed like years away at that time. There was so much of the year left, graduation was an event of the far future. Christmas holidays were a welcome relief for all the Seniors. When school began again in January, 1972 had arrived, and May seemed just a little bit closer. Semester tests were grueling, but the Seniors pulled through with flying colors.

Not too much happened until April rolled around. Of course, the main thing on the Seniors' minds were term papers. Since it was the first paper for most of the Seniors, they were scared to death, but being Seniors, they managed to pull it off. Senior parties began in April also. Lunches, coke parties, dances, and swimming parties took up a lot of time in the lives of the Seniors. The daily school grind finally ended for the Seniors on May 5. The Seniors left at 4:00 a.m. May 11, on the Russells' yellow bus for Fort Walton Beach Florida. Although the weather was terrible, a fantastic time was had by all the Seniors.

Finally, May 15 arrived. At 7:30

p.m., the Seniors took their last march through the gym as Seniors. The memory chain by the Juniors brought many tears, but it was mostly smiles as the diplomas were given out. After graduation, the sobs of the 1972 graduates could be heard all through the halls. Although they were sobs of happiness, they were also sobs of sadness, as the Seniors of 1972 parted as graduates for the first time. Now, all that is left are the memories of the Class of 1972.

## *Juniors-the Chain Gang*

The juniors were one of the most versatile classes. Their main project was accumulating money for the spectacular event of the year-The Prom. To do this, they sold car tags and Stanley products, had a bazaar and concession stand, and sponsored Sloppy Day. The juniors also started a tradition at Rebul-a memory chain at graduation. For their class trip, the juniors spent a day in court and sat in on the Mississippi Legislature.

## Sophomores- A study in power

The sophomore class, numbering almost forty, was one of the more far out classes in school. The 71-72 soph year was filled with many weird experiences, such as being attacked by worms and three-legged starfish, Cotton-copying, and many other things. The sophomore influences was seen in the changing attitudes of the school.

## 8th grade ready for high school life

The members of the eighth grade, no longer lowly junior high people, will be full-fledged high school people next year. They eagerly look forward to the highlight of a freshman's year: Freshman Day. The eighth grade was taught by Mrs. Harris, Mrs. Seymour, and Miss Williams. They spent a busy year studying, and participating in school clubs and projects.

## 7th grade out- numbers all

The seventh grade class was the largest in school. The class's size caused many headaches for Miss Williams, but also enabled them to win the spirit stick many times at pep rallies. The class was divided into two sections and was taught by Mrs. Harris, Mrs. Seymour, and Miss Williams.

The 1971-72 year has passed, another school year is beginning, and by some miracle, the '72 annual is now in your hands. The many problems of confusion, lost pictures, and missed deadlines are finally over, and the students of Rebul Academy now have a record of the '72 year. A few people deserve special thanks, without them, there would not have been a *Resume*: Byron-photographer, Kathie-Head Flunky, Lynn, Naomi, Martha Pickett, and members of the staff who spent extra hours to make the annual possible. The staff hopes that in this annual, you will find a special place that will mean something to you, and that will remind you of the past year. The year was one of disagreements and a few disappointments, but also of fun and good times, and, hopefully, the memories of those times are here. Success to the fellow '72 graduates, and good luck to the class of '73.
